

SIGNS IN THE HEAVENS (Part 2)

It is critical to understand and comprehend why God made the Sun, Moon, and Stars...Without this necessary revelation it is impossible to completely receive the full revelation of His holy Word or to know how, what, when and where He is doing things upon the earth or in the heavens!

Genesis 1:14 – 18 - Then God said, “Let there be lights in the firmament of the heavens to divide the day from the night; and let them be for signs and seasons, and for days and years;¹⁵ and let them be for lights in the firmament of the heavens to give light on the earth”; and it was so.¹⁶ Then God made two great lights: the greater light to rule the day, and the lesser light to rule the night. *He made* the stars also.¹⁷ God set them in the firmament of the heavens to give light on the earth,¹⁸ and to rule over the day and over the night, and to divide the light from the darkness. And God saw that *it was good*.

There are two reasons God put these heavenly bodies in the firmament:

1. To know when to meet with him

a. Specifically, this is speaking of the seven feast of the Lord:

- 1) Passover (Pesach)
- 2) Unleavened Bread (Matzot)
- 3) First Fruits (Yom Bikkurim)
- 4) Pentecost (Shavout)
- 5) Feast of Trumpets (Yom Teruah)
- 6) Day of Atonement (Yom Kippur)
- 7) Feast of Tabernacles (Sukkot)

b. Seasons in Hebrew is *Moedim* = God’s appointed times

1 Thessalonians 5:1-2 - But concerning the **times** and the **seasons**, brethren, you have no need that I should write to you. ² For you yourselves know perfectly that the day of the Lord so comes as a thief in the night.

- Paul says, even though no man knows the day or the hour of the Lord’s return, we know the times and seasons and he doesn’t need to even write about it. He was speaking of these *Moedims*.
- Because these seasons are all about the Lord’s first and second coming, they are intimately connected to prophesy.

2. For signs

a. Hebrew – *Ot* = sign, signal, omen

b. The heavenly bodies were put in the firmament to give us warnings about the Lord’s coming, judgment, visitation.

The reality of God using celestial signs is an established truth in the Scriptures:

- Mark 15:33 - Now when the sixth hour had come, there was darkness over the whole land until the ninth hour.

- o This sign in the heavens was followed by an earthquake shook the temple and tore the veil in the holy place.
- o Matthew 27: 51 - Then, behold, the veil of the temple was torn in two from top to bottom; and the earth quaked, and the rocks were split...

- Revelation 6:12 - I looked when He opened the sixth seal, and behold, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became like blood.
 - o This is the sign of a solar and lunar eclipse.
- Zechariah 14:6-7 - It shall come to pass in that day *That* there will be no light; The lights will diminish. ⁷ It shall be one day Which is known to the Lord— Neither day nor night. But at evening time it shall happen *That* it will be light.
- Joel 2:10 - The earth quakes before them, The heavens tremble; The sun and moon grow dark, And the stars diminish their brightness.

The Scripture is clear that solar and lunar eclipses are omens – not connected to anything good! Even native Americans believe that solar eclipses are very bad omens or lead to a time of drastic transition.

In the Bible solar and lunar events connected to events that signal a time of major transitions. God has written the very end from the beginning, and he has recorded it in a timeline in the firmament above. Realize, whether you believe in an old earth or a young earth that God recorded the entire timeline in the heavenly bodies long before there was ever a man upon the earth – this is beyond mind-blowing to me! It gives a whole new understanding of the scripture that records...

Psalm 19:1-3 - The heavens declare the glory of God; And the firmament shows His handiwork. ² Day unto day utters speech, And night unto night reveals knowledge. ³ *There is no speech nor language Where their voice is not heard.*

The Tetrad Blood-Red Lunar Eclipses – key signs to the timeline of God in the heavens. This where there are 4 blood moons back-to-back in two consecutive years. The prophetic significance of it is highlighted by the fact that they fall on two *moedims*: Passover and Feast of Tabernacles, two years in a row. We should pay attention to it as an omen.

There have only been 8 sets of the blood moons since the time of Christ and many of them were world changing!

- 162 A.D - Rome went to war with the Parthians
- 795A.D. – Saxon war began
- 1492 – Spain declared war on the Jews and drove them out of the country
 - o Columbus set sail the day the inquisition started. Many of his crew were Jews. It is believed he was a Jew.
 - o Columbus landed in America and the beginning of the Feast of Tabernacles which is believed to have been when Christ was born and when the marriage supper of the Lamb will be in the future.
- 1948 – Israel became a nation
- 1967 – 6 day war / Jerusalem became the capitol
- 2014 / 2015
 - o Isis
 - o Ebola
 - o Israel and Hamas
 - o Death of Michael Brown in Missouri – his death led to riots that ripped the country apart
 - o Corona Virus
- 2032 /2033 – Many believe this to be the 2000-year anniversary of the resurrection of Christ.

Now to the solar eclipses of 2017 and 2024...

1. August 21, 2017

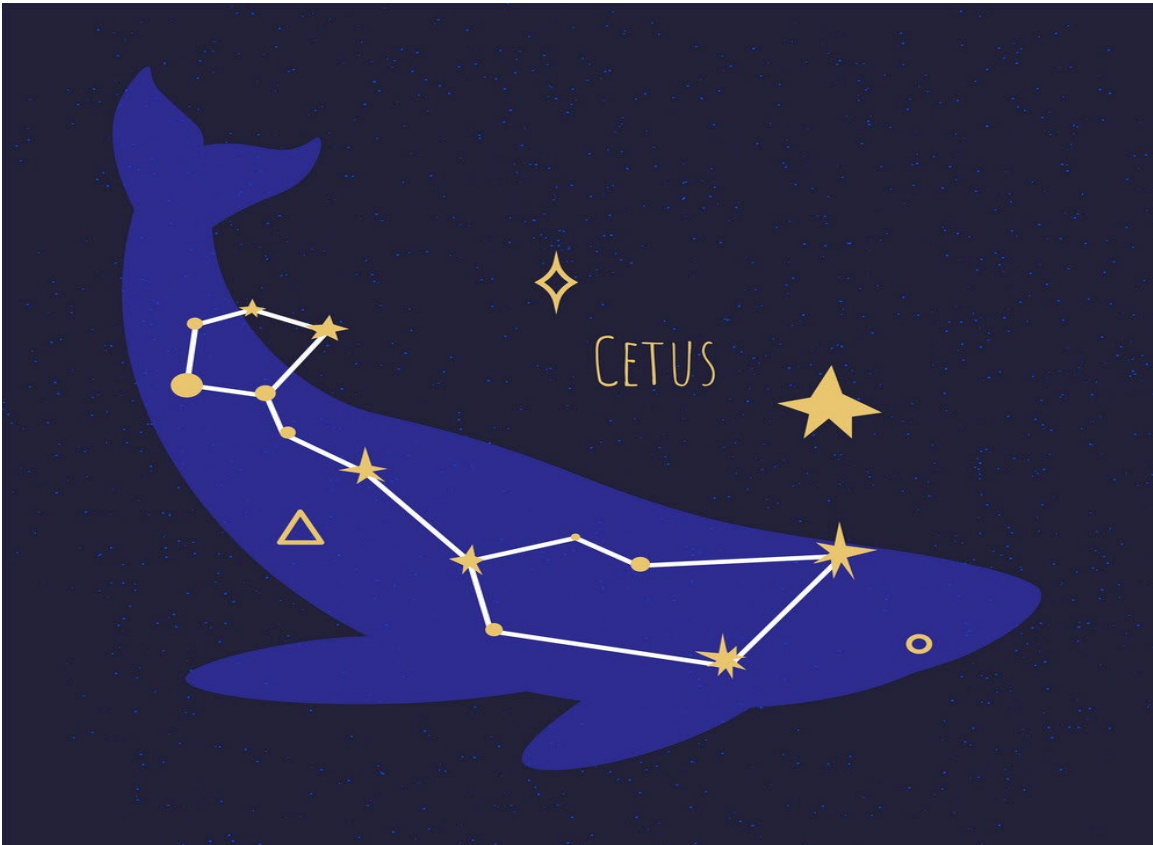

- a. 1st time in over 100 years a solar eclipse crossed the entire United States
- b. 1st time since 1776 that an eclipse only touched America.
- c. It passes over 7 cities named Salem
 - i. What was really interesting is that the precise time the sun was setting in Jerusalem it was arising over an American city named after Jerusalem – Salem.
- d. Notice the Heptadic cycles:
 - i. 36 cities in America named Salem and the Eclipse touched 7 of them.
 - ii. It was the Hebrew year 5777
 - iii. 77 Solar eclipses on Saros Cycle 145 (Eclipses are categorized for ease of recording)
 - 1) 2017 Eclipse was the 22nd eclipse
 - iv. 2017 was the 50th anniversary of Jerusalem being the capitol of Israel
- e. It exits Sumter, SC where the civil war began
- f. The last city it goes through at maximum totality is Jacob, Illinois – The only area in the United States called Little Egypt. The maximum totality just happened to be a 7-mile radius that included: Devils Kitchen Lake and Giant City National Park.

So, the last city it goes through is Jacob (whose name was changed to Israel) and the next minute the epicenter of the eclipse covers a 7-mile radius over the only city in the world named Little Egypt that has the Devils Kitchen beside it – Coincidence?

2. April 8, 2024

- a. Never has an eclipse crossed over the entire contiguous United States and then do it again 7 years later in the opposite direction.

- b. This eclipse is part of Saros 139 – 71 total eclipses spanning 1000 years. There are only two words mentioned in the Bible 71 times:
 - i. Elijah – the greatest prophet who ever lived.
 - ii. Hebron – Burial place of Abraham, Isaac, and Jacob
 - iii. Out of the 71 eclipses the 2024 one is number 30 (the year beginning the Lord’s ministry)
 - iv. The eclipse of 2017 highlighted 7 cities named Salem and find its place of maximum totality over Little Egypt. The 2024 eclipse goes through another 26 cities named Salem – both of them together hit 33 of the 36 Salem’s in the U.S. (33 was age of our Lord’s death).
- c. The 2024 eclipse passes over 7 cities named Nineveh
- d. It passes over 1 city named Jonah
- e. It passes under the constellation – Cetus

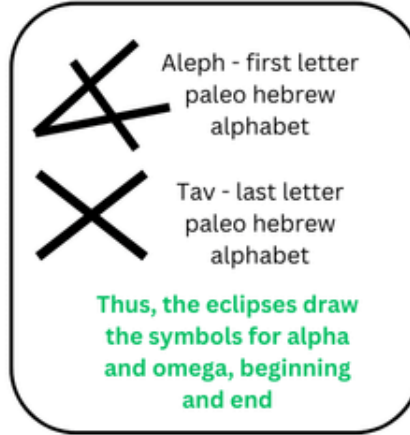

- f. It enters over Eagle Pass, Tx.
 - i. **Shelby Park** - Jo Shelby was the only active commander in the Confederate Army that never surrendered at the end of the war. After Kirby Smith surrendered, Shelby told his men on June 1st that he was not going to surrender but was going to Mexico. He buried a confederate flag in the ground in that park and was going to Mexico to rebuild the confederacy.
 - ii. Struggle over states right vs. Federal Government rights – people started talking about threat of civil war.
 - iii. The first eclipse ended at the beginning of the civil war – the last eclipse begins at the end of the civil war. Is this coincidence?
- g. Against all mathematical probabilities the 2024 eclipse finds maximum totality in exactly the same place – Little Egypt.

i. The X marks a specific spot – a single road in the middle of the national forest – Salem Rd.

3. The solar eclipse of October 14th 2023

- a. Crossed the lower southwest.
- b. **6 years, 6 months, 6 weeks, 6 days later – 6666**
- c. What is not being talked about is that when you put these three eclipse paths together you see something amazing...

The 2024 eclipse is exactly:

6 years,
6 months,
6 weeks, and
6 days

since the 2017 eclipse

$8/21/2017 + 6 \text{ days} = 8/27/2017$
 $8/27/2017 + 6 \text{ weeks} = 10/8/2017$
 $10/8/2017 + 6 \text{ months} = 4/8/2018$
 $4/8/2018 + 6 \text{ years} = 4/8/2024$

Are you prepared?

d. The 3 eclipses intersect over 2 major fault lines – Balcones and New Madrid

e. At the eclipse peak there is a comet called *Pons-Brook Comet*.

- i. This comet is called - **The Devils Comet**.
- ii. It also has a 71 year orbit around the Sun.
- iii. It is called the Devils Comet because there are two horns sticking out of its mass
- iv. I will be in the constellation of the water bearer – in the water. The Hebrew word for water is *Mayim* which represents people, nations, and chaos.

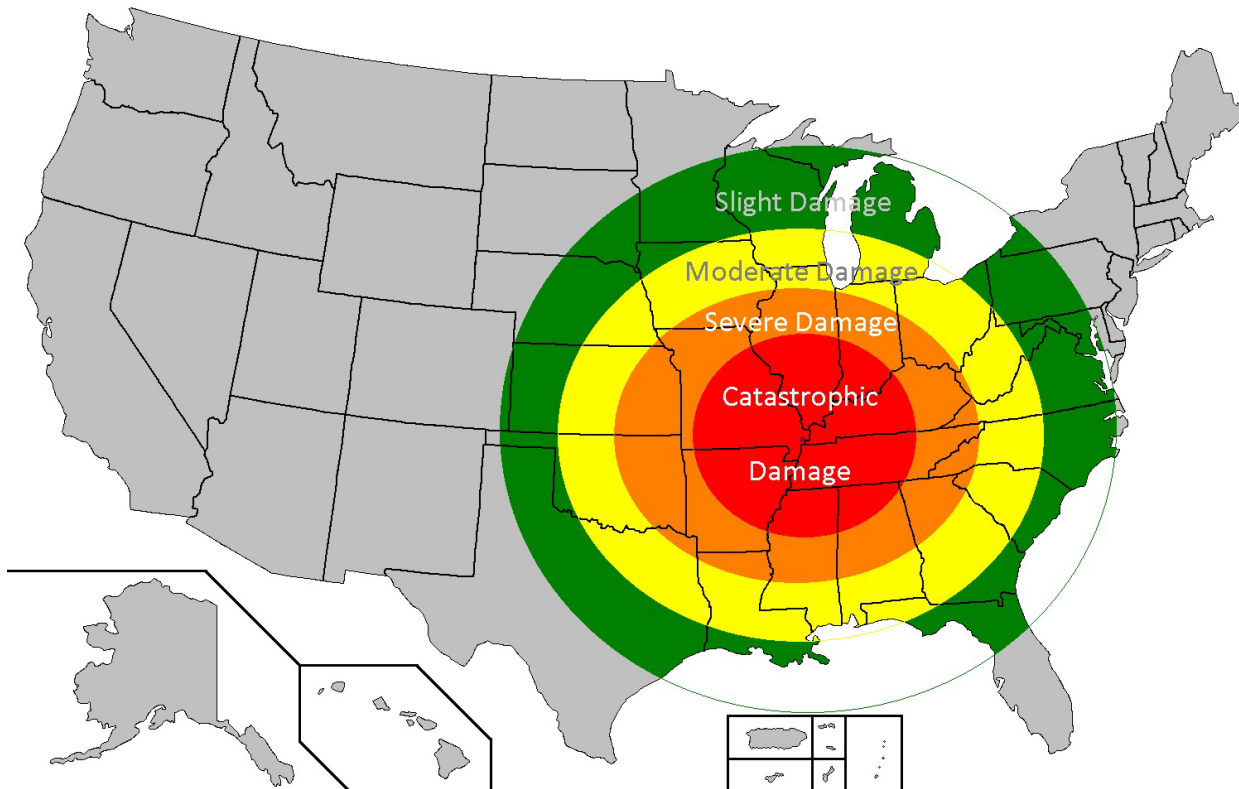

Eclipses on American Soil!

Almanac.com says there have only been 8 since founding in 1776 and all were connected to war and pestilence:

1. 1700's - June 24, 1778 / October 27, 1780 – THE REVOLUTIONARY WAR
2. 1800's - July 18, 1860 / August 7, 1869 / July 29, 1878 – THE CIVIL WAR
3. 1900's – March 7, 1970 / February 26, 1979 – THE VIETNAM WAR

4. 21st Century – August 21, 2017 / April 8, 2024

The two eclipses create an X that marks a certain geographical area (Put up pic and leave it up) - The New Madrid Fault line.

- We have seen this kind of eclipse before that crosses the nation and marks an X.
- The last time it happened was around June 16, 1806, and then September 17, 1811.
- 3 months after a major earthquake shook the new Madrid fault line with unprecedented damage - the largest earthquakes in American History.
- 3 of the 10k earthquakes it produced were the largest in the history of America and the most damaging in world history.
- It caused the Mississippi River to flow backwards, and it rang the Liberty Bell 1300 miles away on the east coast.
- 6 Months later the war of 1812 began.
- Scientists warn that if the same earthquake happened today, it would send a giant earth wave in every direction for 200 miles and flatten every building in its path.

One last thought...about Little Egypt and this eclipse...

The eclipse is happening on Nissan 1 (Hebrew Calendar)

- The 1st day of God's religious calendar

- 2 Chronicles 29:2-3 - And he did *what was* right in the sight of the Lord, according to all that his father David had done. ³In the first year of his reign, in the first month, he opened the doors of the house of the Lord and repaired them.
 - o Hezekiah opened the doors of the Temple to cleanse it from the defilement of past Kings.
 - o Could this be talking about our Presidents?
- Ezra 7:9 - ⁹On the first *day* of the first month he began *his* journey from Babylon, and on the first *day* of the fifth month he came to Jerusalem, according to the good hand of his God upon him.
 - o Leads a large group back to Jerusalem to reestablish a temple system
- A decree went out from Persia for Nehemiah to go back and rebuild the wall
- It was the day that Jesus was Baptized created a new Temple and a new people
- It was the exact day that the plague of Darkness hit Egypt.

Can anyone tell me how many plagues hit Egypt and what they were?

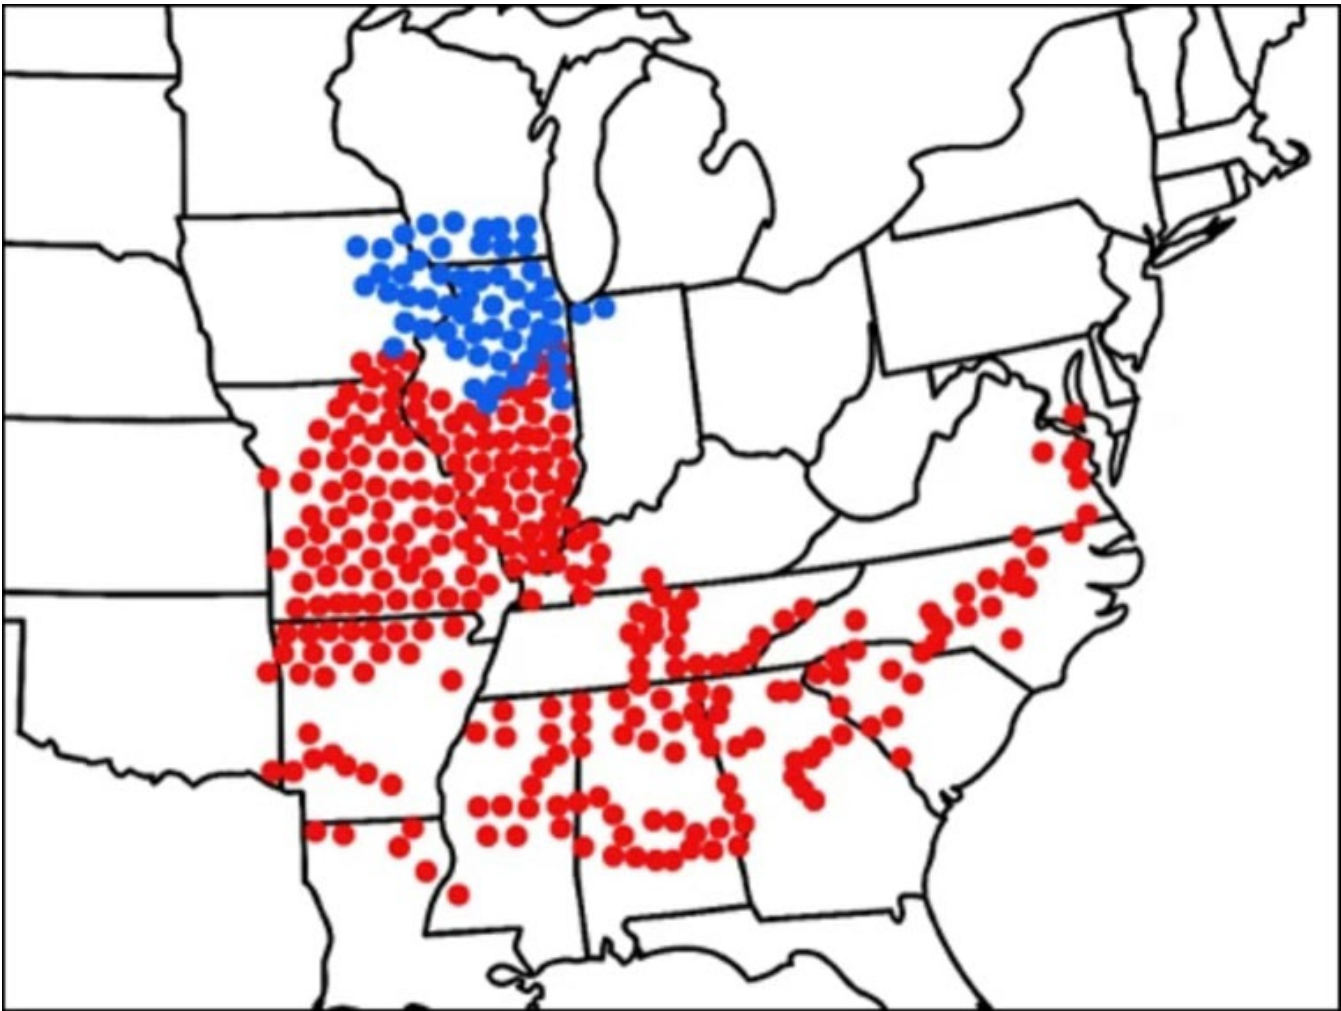

The 10 plagues in the book of Exodus

1. **Blood** - The waters were turned to blood – the fish in the river died and the Egyptians couldn't drink the foul water.
2. **Frogs** - Frogs swarmed forth, covering every inch of land, and entering houses and bedrooms.
3. **Lice** - All over Egypt, bugs crawled forth from the dust to cover the land.
4. **Wild animals** - Hordes of wild animals destroyed everything in their path.
5. **Pestilence** - A fatal pestilence killed most of the domestic animals of the Egyptians.
6. **Boils** - The Pharaoh, his servants, the Egyptians and even their animals developed painful boils all over their bodies.
7. **Fiery hail** - Hail struck down all the crops in the fields and shattered every tree.
8. **Locusts** - The locusts covered the face of the land and swallowed up every crop and all the fruits of the trees.
9. **Darkness** - A thick darkness over the land of Egypt, so total that the Egyptians had to feel their way around.
10. **Death of the first-born** - All firstborn Egyptian sons (and firstborn cattle) died. Israelites marked lamb's blood above their door and were passed over.

Is this a coincidence???

NBC News - Billions of cicadas will emerge in the U.S. this year in a rare double-brood event - This year's dual emergence is a rare, synchronized event that last occurred in 1803.

"This year's dual emergence is a once-in-a-lifetime event. While any given 13-year brood and 17-year brood can occasionally emerge at the same time, each specific pair will see their cycles aligned only once every 221 years. What's more, this year's cicada groups, known as **Brood XIII** and **Brood XIX**, happened to make their homes adjacent to one another, with a narrow overlap in central Illinois. Thomas Jefferson was president the last time these two broods came out..."

Conclusion:

1. We need to pay attention to the signs and ask the Lord for discernment about the days in which we live.
2. We need to repent of all known sin and get back to living what the Bible teaches.
3. We need to get fervent about God's house and make it a priority.
4. We need to get busy sharing our faith and winning the lost – Time is running out!
